## Mobile Kitchen Adopt-A-Day Program

*"No act of kindness,  
no matter how small, is wasted."*

## Mobile Kitchen Adopt-A-Day

For many homeless individuals, getting the help they need can be quite difficult. Many areas outside of Los Angeles are just not outfitted with enough public service centers to meet the community's needs.

Our Mobile Kitchen offers a meal service to the community outside of our immediate area. This mobile food truck operates 365 days a year, feeding approximately 500 people each and every day. The cost impact of this program is about \$1,000 per day.

We have developed an "Adopt-A-Day" program to allow families, individuals, corporations and service groups the opportunity to become involved feeding hungry people in a segment of the community that is often neglected.

## Adopt-A-Day

is more than a donation, it's the giving of one's time and effort that is most meaningful.

**For \$1,000 a sign with the sponsor's name is placed on the side and back of the truck for one day.**

*This sponsorship accommodates up to eight people.*
